

Humane Society of Statesboro

Do you want to help out pets around Bulloch County, but don't know how? For starters, you can donate supplies and volunteer at pet adoptions. The Society could also use your talents working to raise pet overpopulation awareness. Also, fostering or adopting pets would allow you to love animals whose home lives aren't consistent.

Let's make a promise to fill pets' empty tummies, house those who need love & care, and prevent pet overpopulation.
